

Privacy Policy

Last updated: February 20, 2025

At Skillify, owned by TGW Solutions and utilized by Shadow A Scientist NPC ("we", "our", or "us"), we respect your privacy and are committed to protecting your personal information. This Privacy Policy explains how we collect, use, and protect your data when you use the Skillify web application ("Service").

1. No Personal Data Collection

We want to emphasize that Skillify does not collect or store any personal data that could identify you. The Service does not gather any information such as names, email addresses, or other identifiable personal details unless explicitly provided by you for account registration purposes.

2. Focus Monitoring

Skillify's focus monitor feature is designed to help users stay focused while studying. We would like to clarify that the focus monitor does not record or capture any personal data, audio, video, or any other form of identifiable content. The monitor merely tracks your activity for the purpose of enhancing your study sessions, such as measuring time spent studying, and does not retain any user data.

3. Respect for POPIA

We are committed to ensuring that your privacy rights are respected and protected under the Protection of Personal Information Act (POPIA) of South Africa. We take all necessary steps to comply with POPIA and ensure that any personal information you provide is handled responsibly and securely.

4. Data Use

The data we collect, such as session times, user interactions, and study progress, is anonymized and used solely to improve the functionality and user experience of Skillify. We do not sell, share, or lease any of your data to third parties.

5. Data Security

While we take reasonable measures to protect your data, please understand that no method of transmission over the internet or method of electronic storage is 100% secure. We cannot guarantee the absolute security of your data.
